ATTENTION: LIZABETH GREEN

I have reviewed the Fire Evacuation Plan, submitted by you, with my inspection personnel and I'm satisfied that your plan, along with the training and certification of your employees, meets the requirements of the City of Houston Fire Code.

This is to serve as an approval of your High-rise Evacuation Plan. Your evacuation plan is subject to periodic review by the Fire Marshal's Office. It must be understood, however, that this approval will be invalidated by failure to provide trained building personnel or failure to maintain means of egress in compliance with the Building and Fire Code.

The Fire Marshal's Office wishes to thank you for your cooperation.

Respectfully,

T.G. Freeman,
Fire Marshal
